

In the days when ballast stone was an important feature of some of Australia's most iconic buildings, the daring Steeplejacks played a crucial role in their construction and maintenance. As skilled craftsmen, they completed the most difficult work on the highest towers, oblivious to vertigo, gravity and mortality.

VINTAGE 2020

The 2020 vintage showed cooler moist weather conditions until around December 20-28th. When strong, intermittent, hot Northerly winds persisted throughout the region. This was followed promptly by significant rainfall and a return to a cooler vintage. The red varieties took some time to balance fruit acid and sugar ripeness, as always patience was rewarded and later picked- Parcels of more physiological ripeness and are showing both strong varietal definition and significant fruit weight. 2020 district yields remained variable between varieties and blocks, but in general were less than in previous averages

ALCOHOL	14.5%
REGION	South Australia
pH	3.60
TA	6.01

TASTING NOTES

With blackcurrant, plum and tobacco leaf dominating the nose, rich and fleshy on the palate, loads of mulberry, black cherry and spice upfront, a hint of chocolate and mint, and chalky fine tannins on the finish, this is a fine cabernet.

STEEPLE JACK

Cabernet Sauvignon

2020
