

*In the days when sailing ships were the pride of European navies, they flew a number of banners to confuse the enemy. Sooner or later they would have to raise their flag and fight for King and country, hence the expression, “show your true colours”. This wine is a fine example of us doing the same; it is a great Clare Valley Riesling and we’re proud to nail it to our mast.*

## VINTAGE 2023

Patience, crop management and keeping a watchful eye on the weather were the keys to success in vintage 2023.

Cool conditions in early spring led to budburst being late and flowering was therefore 3 weeks later than average.

Cool weather conditions and solid crops slowed ripening, but minimal rain from Christmas until the end of March led to a sound harvest of pristine, quintessential Clare Valley Riesling, showing fantastic flavour ripeness and natural acidity.

## *TASTING NOTES*

The Clare Valley is a wonderful place which brings out the best from Riesling grapevines. Aromatic, floral aromas lead to lively citrus flavours and a crisp dry finish.
