

The skilled stonemasons who built many of South Australia's finest buildings and indeed some around our own vineyards, each had their own signature by way of a mason's mark.

The symbols on our Stonemason range are a tribute to their skill and diversity and appropriate recognition of this time honored craft.

VINTAGE 2021

Ideal Mediterranean winter rainfall and then cooler than average summer conditions resulted in a well-balanced vintage for the Currency Creek Wine Region in 2021.

White varieties benefited from some early cooler climatic conditions and the maritime influence of Currency Creek, resulting in excellent quality, good fruit ripeness and naturally balanced acidity.

The March and April temperatures continued to be below average with unusually low night-time temperatures. No significant summer ripening rainfall or disease pressure was experienced.

The prolonged ripening time ensured great varietal character, depth and colour.
