

The skilled stonemasons who built many of South Australia's finest buildings and indeed some around our own vineyards, each had their own signature by way of a mason's mark.

The symbols on our Stonemason range are a tribute to their skill and diversity and appropriate recognition of this time honored craft.

2020 VINTAGE

A return to average winter rains in 2019, together with cool spring conditions, led to strong early spring growth and bunch numbers across all varieties.

The early summer remained cool, with above average shower activity which has some impact on fruit set. Although the weather was somewhat more unstable than average some exceptional fruit characteristics were found in white varieties given time to balance. The red varieties also took some time to balance fruit acid and sugar ripeness, as always patience was rewarded and later picked parcels are showing both strong varietal definition and significant fruit weight.

2020 district Yields remained variable between varieties and blocks, but in general were less than previous averages.

ALCOHOL	12.5%
REGION	South Eastern Australia
COMPOSITION	Sangiovese
pH	3.43
TA	3.46g/L

TASTING NOTES

This Rose has spicy raspberry notes which complement the fruity aromas and carry through to the crisp, light finish.

It's a beauty.
