

The skilled stonemasons who built many of South Australia's finest buildings and indeed some around our own vineyards, each had their own signature by way of a mason's mark.

The symbols on our Stonemason range are a tribute to their skill and diversity and appropriate recognition of this time honored craft.

VINTAGE 2018

After a variable start to bud burst and the season providing many disease challenges during the growing period and around veraison, a stretch of about four weeks of ideal ripening weather in the middle of vintage saved the season at Currency Creek.

Good late winter rainfall created ideal opening sub-soil moisture, a situation that prevailed during the whole growing season. Shoot length was short during the early part of the season due to cooler than average temperatures but caught up later in the season.

The reds were left hanging to gain full physiological maturity and were picked very late this year, with first fruit coming in from about 10th April and a compressed harvest program completed by 3rd May. Such prolonged hang time resulted in great varietal character and colour and red variety yields were generally as expected.
