

In 1969, the first vines were planted and a winery established in this area, which was traditionally sheep grazing pastures. As such, the locals considered it would only ever be one of a kind and thus the road leading to it was named "Winery Road". Despite their doubts, the area has flourished and is now recognized as an official Wine Region.

#### VINTAGE 2019

The 2019 season turned into one of the most challenging seen for many years.

Late winter rainfall assisted with replenishing poor soil moisture levels prior to budburst, but variable weather early in the season impacted on the timing of bud-burst and led to the first challenge to evenness of shoot length and subsequently to fruit maturation.

Strong storms in late spring provided some leaf and fruit damage but overall rainfall was low and continued that way for the balance of the season.

Fruit set was good in the reds and average in the whites.

The lack of rainfall late in the season allowed the fruit to be hung out until flavour ripeness caught up to physiological maturity. The resulting wines are very strong with great colour and intensity, although yields are much reduced.

ALCOHOL	14.5
REGION	South Australia
COMPOSITION	90% Shiraz 10% Cabernet Sauvignon
pH	3.47
TA	6.81

#### TASTING NOTES

Blackcurrant & liquorice are perfectly integrated with toasty vanillin oak characteristics, carrying over to the full ripe palate, which finishes with lingering spices & soft, silky tannins.
