

The skilled stonemasons who built many of South Australia's finest buildings and indeed some around our own vineyards, each had their own signature by way of a mason's mark. The symbols on our Stonemason range are a tribute to their skill and diversity and appropriate recognition of this time honored craft.

Spring was also significantly wetter than average.

Yields of fruit were lower than average due to some downy mildew, however the fruit harvested has assisted in creating a well balanced rose.
