

*The skilled stonemasons who built many of South Australia's finest buildings and indeed some around our own vineyards, each had their own signature by way of a mason's mark.*

*The symbols on our Stonemason range are a tribute to their skill and diversity and appropriate recognition of this time honored craft.*

## VINTAGE

The 2021 Vintage has the hallmarks of an incredible vintage, with superb conditions and fruit of outstanding quality and quantity being harvested.

The season was mild with very stable weather conditions. The temperature's during the growing season were mild with only minor fluctuations and no major rainfall events.

Yields overall are above the long-term average with increased bunch and berry numbers. The increased yields resulted in some bunch thinning at veraison to maintain good flavour and balance.

The 2021 vintage was free of disease, drought and smoke taint.
