

# 2018 Creek Station Sauvignon Blanc

CCE

## Creek Station

One of the original station runs in South Australia, the Creek Station has abundant springs, excellent grazing and proximity to river and sea commerce, enabling the station to flourish.

### TASTING NOTES

This environment produces a wine that exhibits lively citrus notes on a background of tropical fruit, finishing with a zesty crisp finish.

### VINTAGE

After a variable start to bud burst and the season providing many disease challenges during the growing period and around veraison, a stretch of about four weeks of ideal ripening weather in the middle of vintage saved the season at Currency Creek. Good late winter rainfall created ideal opening sub-soil moisture, a situation that prevailed during the whole growing season.

The weather conditions at flowering were variable but allowed good fruit set in most red varieties as well as Sauvignon Blanc and Pinot Gris.

Whites benefited from the cooler climatic conditions and maritime influence of the Currency Creek region, with good fruit ripeness and naturally balanced acidity.

**ALCOHOL** 12.5%
