

The skilled stonemasons who built many of South Australia's finest buildings and indeed some around our own vineyards, each had their own signature by way of a mason's mark.

The symbols on our Stonemason range are a tribute to their skill and diversity and appropriate recognition of this time honored craft.

VINTAGE 2020

The 2020 season in Currency Creek remained cool, with above average shower activity which had some impact on full fruit set, and resulting yield, ranging from minimal impact on white varieties, some impact on shiraz, to significant impact on cabernet sauvignon blocks.

The red varieties also took some time to balance fruit acid and sugar ripeness, as always patience was rewarded and later picked parcels of more physiological ripeness are showing both strong varietal definition and significant fruit weight.

2020 district yields remained variable between varieties and blocks, but in general were less than in previous averages.

ALCOHOL	14.5%
REGION	Currency Creek
COMPOSITION	Shiraz 100%
pH	3.49
TA	5.85

TASTING NOTES

Our Currency Creek vineyards yield quality fruit year after year, resulting in wines which really embody their varietal.

This Shiraz emits dark cherry, anise and cedar aromas, with a soft, full approachable palate of plum and mulberry laced with traces of vanillin and white pepper complexity.
