

The skilled stonemasons who built many of South Australia's finest buildings and indeed some around our own vineyards, each had their own signature by way of a mason's mark. The symbols on our Stonemason range are a tribute to their skill and diversity and appropriate recognition of this time honored craft.

VINTAGE 2021

Ideal Mediterranean winter rainfall and then cooler than average summer conditions resulted in a well-balanced vintage for the Currency Creek Wine Region in 2021.

The red varieties took some time to balance fruit acid and sugar ripeness, but the prolonged ripening time ensured great varietal character, depth and colour.

2021 yields were 5–20% above the expectation which was a relief to growers as the previous two years had lower than expected yields.
